

# Exploring the neighbourhoods in Toronto, Canada.

## **Introduction**

Toronto is the provincial capital of Ontario. With a recorded population of 2,731,571 in 2016, it is the most populous city in Canada and the fourth most populous city in North America.

Indian Canadians are Canadians with ancestry from India. The term Indo-Canadians or East Indian is sometimes used to avoid confusion with the First Nations. According to Statistics Canada, Indian Canadians are one of the fastest growing communities in Canada, making up the second largest non-European group after Chinese Canadians. Canada contains the world's eighth largest Indian diaspora.

So it is obvious that the city has some Indian restaurants. So What if someone who wants to open a new Indian restaurant in Toronto, Canada.

## **Problem Description**

Consider a situation where a person who wants to open a new Indian restaurant. And the person is Indo-Canadian and lives in the most populated city of Canada Toronto. So he has some doubts in his mind whether it is a good idea to open a restaurant. And if it is good idea in which Neighbourhood he should open his new restaurant, such that it should be profitable for him.

For this purpose we will Explore the Neighbourhood in Toronto City.

## **Benefits**
